Pro-Moldavite w/Orgone Pendulum

What are you here to teach?

XIII Death: Transformation, releasing what does not hold true, brings in new, a blessing, change is for the better.

Moldavite assists in releasing archaic belief systems and long-held ideas that no longer serve one's best interests. It is a stone for spiritual awakening, transformation and evolutionary growth.

How can I best learn and collaborate with you?

Five of Wands: Competition and debates, learn to hold your position, don't give up, curb your ego, be persistent, work hard, balance, see the truth, transform, change your

attitude where required.

Element: Fire, Number 5

What is potential outcome of our working relationship?

XVII The Star: Hope, universal love, higher heart, inspiration, creativity, purity, truth, good fortune, sharing love, gifts and talents, multidimensional connections. Shine your star qualities, feeling intuitive and insightful, receiving trusted messages from higher guides and angels, good health, a card that denotes a healer, a healing stone, magic strength, nourishing.

Message: Be inspired, dreams come true, heavenly blessings.

Element: Air, Number 17=8

Total Number: 33

Master number 33 tells us that 'all things are possible'. 33 is also the number that symbolizes 'guidance' and signifies the energies of Ascended Masters or Higher Guides.
